

SKIN CARE NECESSITIES

Daily Products for Healthier-Looking Skin

Cleanse, tone, and moisturize with the *Nicole Miller Necessities Set* and watch your skin respond with a healthier glow in as little as two weeks. This complete skin care system contains vitamins to protect your skin while cleansing and moisturizing. Essential oils and skin-building proteins are from natural sources. You'll love the results as your skin responds by developing a smoother, more youthful appearance—a “naturally beautiful” you!

Pollution, grease, and grime cling to the skin, which clogs the pores and makes the skin look and feel tired. Use *Nicole Miller Necessities* every day—morning and night—to get clean, clear, healthy-looking skin without spending a lot of time or money.

The Best for Your Skin

- Unlike other brands that can be harsh on dry skin, *Nicole Miller* is made with gentle coconut cleansers and exotic moisturizers to care for sensitive skin.

Natural-Source Proteins

- Unique to *Nicole Miller* cleansers is a quartet of natural-source proteins—like silk and wheat—to nourish while washing.

Superior Value

- These products are priced better than the competition—like Clinique® and Estee Lauder®—and they contain more skin-nourishing vitamins and extracts (see chart on back).

Experts agree: All skin types need cleansing, toning, and moisturizing twice a day to keep the skin clear, healthy, and youthful. Just one missed day of this crucial process can result in blemishes, dullness, and dark circles. To keep your skin beautiful and healthy-looking, turn to *Nicole Miller Necessities*. Featuring more vitamins, antioxidants, and proteins than other leading brands, this complete system exceeds cleansing and moisturizing to actually protect and nourish your skin.

Gentle Care treats eyes with age-defying ingredients while effectively removing eye makeup!

Packed with beneficial vitamins, *Gentle Care's* unique gel treatment effectively removes eye makeup while helping to reduce the signs of aging. Its gentle formula is nonirritating for even the most sensitive eyes. Contains natural botanicals including chamomile and aloe to soothe, soften, and hydrate delicate eye tissue. Ophthalmologist tested. Fragrance-free. All skin types.

- Removes stubborn, long-wearing and waterproof formulas
- Unique gel texture won't run into eyes
- Oil-free formula leaves no greasy residue

Smoother, More Radiant Skin with Night Release Moisturizing Creme

The night creme that does it all! The active combination of vitamins and lipids helps prevent dryness at its source and restores moisture loss. Exclusive antioxidants help protect against skin damage caused by the sun, smoke, and other harsh environmental elements. Perfect for dry skin.

Renew Foaming Facial Cleanser (Normal-to-Oily Skin)

Three-way natural cleansing system removes oil, dirt, and makeup while promoting healthier-looking skin. Use morning and night, or any time your face needs a cleanser.

- 3-way natural cleaning system deep-cleans pores
- Gentle hydroxy acids dissolve dead skin buildup
- Vitamins A, B, C, D, and E supply needed nourishment
- Immunotech, a complete immune protection complex, protects skin from environmental elements

Freshen Clarifying Toner (Normal-to-Oily Skin)

Exotic, natural-sourced ingredients help tighten pores, normalize skin, and reduce oil for a healthy, shine-free appearance.

- Includes moisturizing and age-defying vitamins, proteins, and extracts. Use morning and night after cleansing.
- Chinese herbs of cinnamon, ginger root, and burnet deep-clean pores, normalize skin, and reduce oil buildup
- Synergistic vitamin complex nourishes skin and helps restore its natural balance
- Extracts of green tea, bearberry, cranberry, and chamomile help protect skin from harmful environmental elements
- Witch hazel and horse chestnut extracts clarify pores without stinging and irritation
- Proteins of oat, wheat, soy, and silk fortify skin and help maintain strength and resiliency
- Alcohol-free

Daytime Delivery Moisturizing Lotion (Normal-to-Oily Skin)

Light formula actually rebuilds as it moisturizes! Use during the day after cleansing and toning.

- Provides broad-spectrum protection from both UVA and UVB rays
- Vitamins delivered in encapsulated technology that encourages absorption throughout the day
- Milk protein limits moisture loss by improving the skin's natural ability to retain moisture
- Green tea extract, beta-carotene, and beta-glucan help increase skin's own resistance to environmental elements

Renew Creamy Cleanser (Normal-to-Dry Skin)

Goes beyond cleansing with exotic moisturizers that improve skin's well being and comfort! Extra gentle, with a creamy texture that moisturizes on contact.

- Use morning and night, or any time your face needs a cleanser
- *Abnfeltia concinna*, a red marine algae that grows in Hawaii, works to boost skin's natural moisturization.
- *Enteromorpha Compressa*, a French-developed extract from green sea plants, known to actually improve skin's well-being and comfort
- Vitamins A, B, C, D, and E nourish and protect skin
- Immune protection complex helps fight off harmful environmental elements

Freshen Balancing Toner (Normal-to-Dry Skin)

A unique "grip and hold" action prepares skin to retain moisturizer. Use morning and night after cleansing to normalize pH balance and prepare skin for moisturizer.

- Witch hazel and horse chestnut extracts "wake up" cells, while removing only impurities on the skin
- Deeply nourishes skin with a synergistic vitamin complex that delivers calcium, thiamin, and niacin—as well as vitamins A, C, and E
- Alcohol-free

Daytime Delivery Moisturizing Creme (Normal-to-Dry Skin)

Contains *Hydralon*—a 3-in-1 moisturizer—that restores suppleness while protecting and soothing skin all day long.

- Use during the day after cleansing and toning.
- Provides broad-spectrum protection from both UVA and UVB rays
- Ceramides boost skin's water-retention power, reducing dryness in the epidermis
- Moisturizing canola oil, along with glycerin and aloe, add more hydration to skin cells
- Chamomile extract soothes and protects sensitive skin
- An antioxidant quartet—green tea, ginseng, grape seed, and ginkgo extracts—helps protect skin from harmful environmental elements

The Vitamin/SPF Link in Nicole Miller's Daytime Delivery

A university's preliminary work showed that vitamins C and E, along with SPF, seemed to improve photo-aging beyond the upper layer of skin.
