

Pain-A-Trate[®]

Naturally Soothing Topical Pain Reliever

Pain-A-Trate is right on target when it comes to easing stiff, tired muscles, sore joints and cramps. The exclusive formula sends three powerful pain relievers down deep to speedily soothe aches like nothing else can. And with Melaleuca oil, you get penetrating power for real relief.

Sports medicine experts suggest massage for muscular soreness

because it increases circulation, relaxes muscles and speeds healing. Massaging with a pain relief cream like *Pain-A-Trate* can help relieve stiffness and soreness.

Exclusive Formula

- Three pain relievers deliver maximum potency; penetrating Melaleuca oil provides unbeatable, natural soothing power

Synergistic Relief

- This unique formula works synergistically to quickly deliver warm, deep-penetrating relief to sore muscles and joints

Versatile

- Use it from head to toe—eases muscle cramps, sore joints, back pain, tension headaches, sports injuries and more

More Americans than ever are exercising regularly—and that means more backaches, stiff muscles and sore joints. For these kinds of pain, there's only one source for speedy topical relief: *Pain-A-Trate*®. It's a completely unique formula with three powerful topical pain relievers. And it has the natural penetrating properties of *T36-C5™ Melaleuca oil*. The formula works synergistically to give you deeper, more thorough relief than from any other pain-relief ointment. Plus, the smooth cream is easier to apply than greasy ointments. Put the tingling, cooling relief to work right where it hurts, and *Pain-A-Trate* those aches away.

Exclusive Formula

Pain-A-Trate is the only pain relief cream of its kind that teams proven topical pain relievers with *T36-C5 Melaleuca* oil. You get the cooling power of menthol, the numbing properties of camphor, and the warming comfort of methyl salicylate.

As you massage *Pain-A-Trate* over sore areas, the rubbing motion helps the formula release its therapeutic benefits. You'll quickly feel a cooling sensation, followed by a warm feeling of relief. All the natural ingredients work together to ease away stiffness and pain.

The Benefits of Pain-A-Trate:

- Exclusive, patented formula
- Three effective pain relievers for maximum strength
- Penetrating benefits of *T36-C5 Melaleuca* oil
- Quick, localized relief
- Smooth cream instead of greasy ointment

Synergistic Relief

The beneficial and pain-relieving qualities of menthol, camphor and methyl salicylate can only work to the extent that they can get to the pain. Other pain relievers may have some of these ingredients, but only *Pain-A-Trate* provides a distinctive penetrating combination with *Melaleuca* oil. You'll notice the deep-seated, soothing benefits immediately.

Versatile

Pain-A-Trate is perfect for on-the-spot relief for your whole body. Whether it's back pain, sprains, cramps, knotted muscles, or sore joints, you can apply the relief right where you need it. The smooth, nongreasy cream works great with a massage. You can also use *Pain-A-Trate* as a pre-activity balm to warm up muscles.

Pain-A-Trate Aches Away

When you need relief for overexerted muscles or sore, stiff joints, reach for *Pain-A-Trate's* patented formula with *Melaleuca* oil. *Pain-A-Trate* delivers deep-down relief so you'll feel better soon.

Pain-A-Trate delivers deep-penetrating relief to ease muscle aches and cramps.

Pain-A-Trate's Soothing Ingredients

Menthol

Taken from mint leaves; causes a tingling, cooling sensation followed by soothing warmth

Camphor

Numbs pain and rouses circulation to bring quicker healing

Methyl Salicylate

U.S.–Pharmacopeia-approved quality pain reliever, derived from wintergreen oil

T36-C5™ Melaleuca oil

Naturally soothing for deep-penetrating benefits

Did You Know?

Lower back pain rivals the common cold as the most common reason for missing work. *Pain-A-Trate* quickly relieves back pain due to muscle soreness.
